CYBERJAYA COLLEGE KOTA KINABALU

Greetings and a very warm welcome to the 11th Convocation Ceremony of Cyberjaya College Kota Kinabalu.

Convocation marks the end of one journey, but also the beginning of another; one that is new and full of endless possibilities for our graduates. As they embark on this new chapter of their life, I firmly believe that the education, guidance, and experiences they have attained from their time here at Cyberjaya College Kota Kinabalu have thoroughly equipped them for the journey ahead.

The path taken by our graduates to arrive at this milestone is filled with many long nights of studying, not to mention tears, frustrations, and the eventual overcoming of them. Their graduation today is the culmination of all that hard work and an accomplishment which stands squarely on their shoulders. We must not forget though that none of this, however, would have been possible without their parents and guardians, who played a huge foundational role in shaping them into who they are today. Thank you, parents, for your unwavering support, for believing in their potential, and for entrusting your child to the care of the faculty and staff at our college. Your belief in us has played a vital role in getting them to this milestone.

To our graduates, please accept my heartiest congratulations on your achievements. You have triumphed over numerous challenges, from demanding coursework to the ever-evolving uncertainties of a rapidly changing world. Your ability to adapt, learn, and grow speaks volumes about your character and potential. As you venture into the world, remember not only the education that you have received, but also the values that were imparted to all of you; self-discipline, resourcefulness, and tenacity to persist despite any circumstances. Be compassionate to others and learn to connect with people from all walks of life. Use your education to make a difference in the lives of others.

As you move forward, with your diploma in hand, remember that your alma mater is here to support you, and our doors will always remain open for you. Embrace the future with confidence, for you are well-prepared to make your mark on the world. Congratulations once again, and I look forward to seeing great achievements from you all.

Thank you.
